

AKASH KUMAR YADAV

+91-9709927892 | akashkumar0678@gmail.com | LinkedIn

EDUCATION:

IIMT College Of Engineering, Gr. Noida
Bachelor of Technology in CSE (70%)

2019-2023

U.S.R College Siswa Patna
Intermediate

2018 - 2019

PROJECTS:

Online Food Ordering App-Foodies Nest ~ (Major Project)

- Developed a responsive e-commerce website using HTML, CSS, JavaScript, React.js, MongoDB, and Node.js.
- Implemented essential features like User Registration, Product Catalog, Shopping Cart, and Payment-Gateway to provide a seamless user experience.
- Demonstrated proficiency in using modern web technologies to build user-friendly interfaces.

Password Generator | JavaScript, React.js, HTML, CSS

<https://github.com/Akashkryadav/passwordGenerator>

- Developed a password generator application using a tech stack that includes HTML, CSS, JavaScript, and React.js.
- Implemented key features to enhance user experience and password customization, including the ability to copy generated passwords, adjust password length, and include special symbols.

Netflix Home Page | HTML, CSS and JavaScript

<https://github.com/Akashkryadav/Netflix-Clone>

- Created a clone of the Netflix home page using HTML, CSS, and JavaScript.
- Utilized Bootstrap framework with flexbox and grid system classes to ensure compatibility with various screen resolutions.
- Demonstrated strong front-end skills to replicate the original design of Netflix's home page.
